Combat

Precautions

- Flammable (UN Number: 1993)
 - Do not expose to temperatures exceeding 50°C
 - Do not spray near naked flame
 - Keep container tightly closed
 - Only use this product in a well ventilated area
 - Do not breathe mist or spray
 - In case of contact with eyes rinse immediately with plenty of water and seek medical advice
 - If swallowed seek medical advice and show this label
-
- For external use only
 - For animal use only
-
- Keep out of reach of children

Ingredients

E124, E133, Ethanol, Organic Acids (Acetic and Benzoic), Polyvinylpyrrolidone, Tea-tree Oil, Triacetin, Water

Instructions for use

- For use in sheep, cattle, horses and goats
-
- Clean and dry hooves thoroughly before use
 - Pare hoof if necessary
 - Shake container well and spray liberally
 - Allow 1-2 minutes for the Combat film to form, before returning hoof to the ground
 - For severe cases in sheep repeat application every 2 days for 1 week
 - For severe cases in cattle apply several layers of Combat after each milking for up to 10 days

NB: Always separate sheep with hoof problems from those without

Combat Footspray should be used as part of a routine footcare programme. Ideally use in conjunction with regular footbathing with Provita Hoofsure/Hoofsure Endurance.
